The Utah Contested Election.

Special to the New York Herald.

On behalf of Mr. Allen G. Campbell, claim

ing a seat as delegate from Utah in the next Congress upon the certificate of Governor Murray, but in whose case Mr. George M. Adams, the holding-over Clerk of the last House of Representatives, has placed the on the ground. He excused his appearance name of George Q. Cannon, the representasaying he lived close by. He introduced tive of the Mormon Church, upon the roll, meelf, and gave me his speech on 'Hancock the formal attention of Clerk Adams has been ecraus Garfield, requesting as a personal favor that I would read it. To get rid of him I Hunter, in the Third District Court of Utah, said I would do so. The next day he called that Mr. Cannon is not a citizen of the again, and after letting me know what a United States; that the certificate held by great and important man he was, asked what | him as a certificate of naturalization was obthought of his speech. I replied that I tained by fraud and has been fraudently had not time to read it. This put him in a used and is void on its face. In view of this rage, and at the same time opened my eyes | decison and of the further facts as set forth the fact that I was dealing with a crank. at length in a printed brief accompanying To get rid of him I told him that I would read the speech that very night. I did not see him again for several weeks, when he called and presented me with a written application, which he said he intended to put on file in the State Department, asking for the position of Consul-General at Paris. He said he had shown it to Secretary Blaine, and Blaine had promised to give him the place if I would sign the application. I First.—Whether he proposes to continue place if I would sign the application. I refused to sign it on the ground that I knew nothing at all about the man. This threw Guiteau into a rage again. He drew him
Second.—If not, whether he will recognize the Covernor by placing on the certificate of the Governor by placing on the certificate of the certificate of the Governor by placing on the certificate of the certific self up, and with an oratorical flourish told the certificate of the Governor by placing on signifies that taxation will press very heavily me he was Charles Guiteau, a lawyer and politician, and an intimate friend of all the prominent men of the Republican party, and prominent men of the Republican party promin for me not to know him was to argue myself the question of citizenship, and that he be much violence in the United States, and unknown. He got so abusive I finally or would have put Mr. Cannon's name on the some great man will suffer degradation or

are now on their way to Washington, and, it pon Mr. Sherman's new house while he was courts of the District the power of the holding-over Clerk to place on the roll of the next House a person lacking the first qualiinformant says, referring to the house:
"When it is finished the next business requiring the attention of its Treasury Secretary owner was the furnishing. The problem to the solution of which he addressed the place of William H. Hooper, who, though the place of William H. Hooper, who, though a member of the Mormon Charge had a member of the Mor a member of the Mormon Church, had not ceut fund constituted his conclusion. Hill Forty fifth and Forty-sixth Congresses. His eut fund constituted his concinsion. Hill scat has been twice contested—once by etailed an employe of his office to go to George H. Marwell on the ground of his present contest, and once by R. M. Baskin on

Senator Mahone will, as soon as Congress some unexpected facts. It is said that the meets, introduce a resolution directing the Mornon Church has, for years, been sliently or in part, any of its bonded debt, and whether any of the trust funds invested by the United States in State bonds have been lost or impaired by the action of any State. A similar resolution will be introduced by one of the Virginia Readjusters in the House. A near friend of Mahone said, this evening, "Mahone is determined to get back at some of the Virginia Readjusters in the House, and are making strenuous efforts to retain the supremove by sending the control all interests of the Territory. The Mormons already control the dections, and are making strenuous efforts to retain the supremove by sending securities are sure to take place. Shocks of "Mahone is determined to get back at some efforts to retain the supremacy by sending securities are sure to take place.
